# Keenan Ganz

**2009 15th St Troy, NY 12180**
ganzkeenan1@gmail.com · 425 877 3020

**OBJECTIVE:** To promote responsible resource management via software and field research.

## EDUCATION

**RENSSELAER POLYTECHNIC INSTITUTE (4.0 / 4.0 GPA CUMULATIVE)** **EXPECTED GRADUATION 2022**

**ENVIRONMENTAL SCIENCE & BIOCHEMISTRY B.S., GEOINFORMATICS CONC.**

Relevant Coursework: Introduction to Cell Biology, Molecular Biology, Organic Chemistry I & II with Lab, Genetics and Evolution, Data Structures (C++), Computer Science 1 (Python), Biostatistics (R)

## RELEVANT EXPERIENCE

SNOHMISH COUNTY PUBLIC WORKS **MAY 2019 – AUG 2019**

**ENVIRONMENTAL SERVICES INTERN**

Developed novel hydrologic model to identify ecologically critical areas from local topography with increased spatial resolution and accuracy compared to previous studies; automated workflow using ArcGIS, SAGA GIS, and Python in an end-to-end scripting environment.

RENSSELAER ASTROBIOLOGY RESEARCH AND EDUCATION CENTER **JAN 2019 - PRESENT**

**RESEARCH ASSISTANT**

Research assistant and work-study student for NASA Astrobiology Institute member laboratory. Focus is in prebiotic chemistry group in modeling abiotic RNA polymerization. Also standardized metadata for VAMPS, a dataset of DNA sequences for microbes found at sea maintained by Woods Hole Oceanographic Institute.

UNIVERSITY OF WASHINGTON SCHOOL OF OCEANOGRAPHY **MAY 2018 – AUG 2018**

**CONSULTING DEVELOPER**

Development and testing of Python package to broaden access to the Ocean Observatories Institute, a database of hundreds of real-time oceanographic sensors. Package has over 500 downloads to date and use cases for web-based and local analysis were presented at OceanHackWeek conference to demonstrate package to new users.

## SKILLS AND INTERESTS

**PROGRAMMING LANGUAGES AND SOFTWARE:** PYTHON, C++, R, JUPYTER, ARCGIS, SAGA GIS

**DIRECTOR OF EXTERNAL OPERATIONS,** CODING&&COMMUNITY **MAY 2019 – PRESENT**

Lead developer of computer science curricula for middle and high school students in Albany area. Created programs at four different locations in NY capital region and coordinates team of 30 instructors at various programs.

**KAKEHASHI SCHOLAR,** JAPAN INTERNATIONAL COOPERATION CENTER **JANUARY 2019**

Invited to Japan by Ministry of Foreign Affairs as a result of performance in Japanese-language speech contest. Proficient in Japanese language and writing equivalent to middle school level.
